GUARANTEE

We spend many hours rigorously testing materials and construction methods before inclusion in our spa covers. Because of this exhaustive testing and our strong belief in the quality of our products we are able to offer exceptional extended warranties on all our spa covers. **All our spa covers come with a 3 YEAR WARRANTY!**

DESIGN & INNOVATION

Pinz has lead all the major design changes in spa covers in Australia over the past decade. Pinz uses the latest technology to ensure the best possible covers. Pinz sets the standard that others try to copy.

IT'S WHAT'S INSIDE THAT COUNTS

No body re-inforces their covers like Pinz. It is the attention to detail on the inside of your cover, the stuff that you can't see that will make your cover last longer. You don't want warranty hassles and neither do we.

OUR RANGE

The range of Spa Covers by Pinz including the Cover Superior™ have been designed to cater to a wide variety of spa users. Our three level spa cover system allows you to choose a spa cover to match your budget & lifestyle - Whether you are on your own, or have a family to protect, we have the right spa cover for you.

COVEReze

As spas get bigger, the hard covers can be bulky and awkward.

Imagine one handed removal of your spa cover - combined with a handy place to stow your cover, neatly behind your spa.

The COVEReze will make light work of removing even the biggest spa cover. The COVEReze can be fitted easily, no problem for the home handy person. The COVEReze is available in marine grade stainless steel or black powder coated steel.

Increase the life of your spa cover with no more dragging on pavers or rough surfaces - the COVEReze will pay for itself!

When you are buying your new spa package make sure you ask your retailer to include a COVEReze lifting system, or retrofit one to your existing spa.

Head Rest & Booster Seats

Why not have a head rest that can be positioned anywhere for that ultimate relaxation experience.

Our booster seats are ideal for smaller people when the spa is just too deep. All colours are available.

EZE-In Handrails

Combine one or two of our EZE-In Handrails and make your spa experience safer and easier. These hand rails swivel through 180 degrees and lock into place so that once you are in the spa you can turn them inwards for use when getting out. Ideal for elderly, commercial and hydrotherapy installaitons.
